urday night with pre-eclampsia (also known as toxemia), a dangerous condition for both the mother and the baby. Please continue praying. (4/29)

Continue praying for Bruce as he waits for news about removing a malignant tumor.

### The Cains are Coming!

Brad & Shilo, Gabe, Sam & Tori will be here next month, for the whole month! They will be involved with Vacation Bible School and will be sharing at church on

June 16th. Don't miss your chance for some time with them before they head back to Chihuahua and the mission school there.

### Easter is Different in Siberia

Hello Steve,

How are you doing? How was the Easter celebration there in Davenport? We are preparing for that here as most churches in Russia go by the Orthodox church calendar which means that Easter is this coming Sunday for us. I am praying that God gives you special energy and joy and that you don't experience any let down following the wonderful holiday. Please feel free to pass on any ways that I can be praying for you too.

Building Committee Report

We have hired our contractor for the excavation work, and expect to see progress within the week!

PARENTS! A building site is a strong draw for children, but is a dangerous place. Please keep your kids away from the site while construction is going on.

Sunday, May 5th is our official ground-breaking celebration. We will gather outside after the morning service, where a special guest will turn a symbolic shovel-ful of dirt with our official gold shovel! Cinco de Mayo Pot luck to follow.

Don’t miss the **Yard Sale** May 18th. Donate, help, & Buy!

Two Gauges. On the left we see how much has come in, on the right how much has gone out. Lets keep the left in front. If the right catches up, we’re in trouble!
